Undoubtedly, the fast-food industry is growing at rapid pace but very few of franchises were able to cop up with the expansion and be a profitable chain for long. And, Tea Kettly chain has mastered its basics that grew from single outlet to over 50 plus outlets. The profitability of Tea Kettly chain may vary depending on several factors such as outlet's geographical locations, city, and capability of franchisee to control its expenses. Nevertheless, Considering the exponential rise in the food industry, minimal investment with high ROI, robust supply chain, robust presence in market, loyal customer base, Chef less products, training & support, and regular food innovations.

On-the-job Training

Tea Kettly provides adequate on-the-job training. Especially in areas like soft skills, how to deal with customers, how to meet your sales targets, etc. This training is provided to all franchise employees for 7days. Moreover, we promise 24*7 support and training to support your daily operations. It is important to note that all these training and support costs are included in the franchise cost of Tea Kettly Thus, you will not be paying anything extra for training and support. This is actually a great feature of this franchise model
